

Carlos Alberto Buchpiguel

Professor, University of São Paulo, São Paulo – SP, Brazil

Carlos Alberto Buchpiguel is Director of the Nuclear Medicine and Molecular Imaging Division at the São Paulo University School of Medicine (USP); Professor at the Department of Radiology and Oncology at USP; and Member of the Board of Directors of the Institute of Cancer of São Paulo.

Mr Buchpiguel is responsible for the academic activities in nuclear medicine and molecular imaging, including the residency programme and post-graduate programme, at the Department of Radiology and Oncology. He is responsible for maintaining clinical activities related to nuclear medicine across the complex of clinical university hospitals, with emphasis on diagnosis and therapy using non-sealed radioisotopes and radiopharmaceuticals.

Mr Buchpiguel has expertise in nuclear medicine and molecular imaging with more than 35 years' experience in the field, with a particular focus on teaching, research and clinical activities.
