MEASURES TO STRENGTHEN INTERNATIONAL CO-OPERATION

IN NUCLEAR SAFETY AND RADIOLOGICAL PROTECTION

Draft resolution recommended by the Committee of the Whole

The General Conference,

- (a) Having adopted the texts of the Convention on Early Notification of a Nuclear Accident and the Convention on Assistance in the Case of a Nuclear Accident or Radiological Emergency, and the final document of this special session,
- (b) Taking note of the statements and proposals made during this special session, and
- (c) Convinced that the subject-matter of international co-operation in the field of nuclear safety has not yet been exhausted and that further consideration should be given to the above-mentioned statements and proposals,

1. Decides that all statements and proposals made during the general debate and in the Committee of the Whole which relate to the subject-matter\* shall be referred to the Board of Governors;

---

\* These include the proposals reflected in the relevant summary records (GC(SPL.I)/OR.                      and GC(SPL.I)/COM.5/OR.                      ) and in the following Conference documents:

GC(SPL.I)/5, Text of a letter to the Director General from the Resident Representative of Denmark; GC(SPL.I)/6, Draft resolution on the sharing of nuclear-safety-related information - submitted by Mexico on behalf of the Group of 77; GC(SPL.I)/7, Draft resolution on the prohibition of armed attacks on all nuclear installations - submitted by Mexico on behalf of the Group of 77; GC(SPL.I)/8, Programme for establishing an international regime for the safe development of nuclear energy - proposals by the USSR; GC(SPL.I)/9, proposed by Luxembourg; GC(SPL.I)/10, proposed by Denmark, Finland, Iceland, Norway and Sweden; GC(SPL.I)/12, proposed by Mexico; GC(SPL.I)/13, Draft resolution on nuclear liability - submitted by the Netherlands; GC(SPL.I)/14, Draft resolution on notification of all serious nuclear accidents - submitted by the Netherlands; and GC(SPL.I)/16, Draft resolution on measures to strengthen international co-operation in nuclear safety and radiological protection - submitted by Austria.

2. Requests the Board of Governors to pursue the discussion of the above-mentioned statements and proposals, including the proposals submitted by Mexico on behalf of the Group of 77, by all interested Member States; and
3. Requests the Board of Governors to submit to the General Conference at its 31st regular session a report on the implementation of the two above-mentioned Conventions and of this resolution.
