GENERAL CONFERENCE

First special session

FOLLOW-UP OF THE CONCLUSIONS

OF THE FIRST SPECIAL SESSION

Draft resolution submitted by Egypt and Mexico

The General Conference,

- a) Having adopted the texts of the Convention on Early Notification of a Nuclear Accident and the Convention on Assistance in the Case of a Nuclear Accident or Radiological Emergency,
 - (b) Taking note of the several valuable proposals and comments which have been made in the course of discussions during the preparation of the Conventions and during the general debate at this special session, and
 - (c) Convinced that the subject-matter of nuclear safety has not yet been exhausted and that further consideration could be given, with benefit, to the above-mentioned discussions and proposals,
1. Decides that all discussions, proposals and statements relating to the subject-matter be referred to the Board of Governors;

2. Requests the Director General to submit to the Board of Governors a report on the best ways and means of following up the objectives of this special session, not excluding the possibility of convening a second special General Conference session on nuclear safety at a future time;
3. Requests the Director General and the Board of Governors to submit to the General Conference at its 31st regular session a substantial report on
- (a) the state of adherence to and implementation of the two above-mentioned Conventions, and
 - (b) the implementation of this resolution; and
4. Decides to include in the agenda for the 31st regular session an item entitled "Follow-up of the conclusions of the first special session of the General Conference on nuclear safety".
