## THE AGENCY'S ANNUAL REPORTS TO THE UNITED NATIONS GENERAL ASSEMBLY

Resolution adopted during the 43rd plenary meeting on 29 September 1960

## THE AGENCY'S ANNUAL REPORTS TO THE UNITED NATIONS GENERAL ASSEMBLY

### The General Conference,

Noting the opinion of the Board of Governors that its annual report to the General Conference and the Agency's annual report to the United Nations General Assembly are essentially the same in character, and that consequently some economy would be achieved each year if the first-mentioned report were to serve as the basis for the second report,

Decides that the Agency's annual report to the United Nations General Assembly shall henceforth normally consist of the Board's annual report to the General Conference together with a supplement dealing with developments, including action taken by the General Conference, that have occurred between the end of the period covered by the Board's report and the end of the session of the General Conference at which it was considered.
