FINANCING OF NUCLEAR PROJECTS

Report of the Programme, Technical and Budget Committee

Rapporteur: Mr. A. QADIR (Pakistan)

1. At its ninety-first meeting on 24 September 1970 the Committee considered item 15 - Financing of nuclear projects. The Committee held an exchange of views on the report by the Board of Governors on the subject which is contained in document GC(XIV)/436, at the conclusion of which it decided to take note of the report.
2. The Committee particularly noted from paragraph 5 of the report that the Board had requested the Director General to proceed as expeditiously as possible with the study which is being made pursuant to Resolution GC(XIII)/RES/256. It was of the opinion that in so doing he should as far as possible take into account its discussion of the subject as well as the additional information he had been asked to seek from Member States. The Committee also expressed satisfaction with the Board's statement that it intends to keep the Conference informed of progress.
3. The Committee recommends the Conference to take note of the present report.
