THE SESSION

CONFERENCE JOURNAL

Mezzanine

Editor Miss M. KRIPPNER (ext. 239, from 12 noon)

The Conference Journal will appear every working day first thing in the morning. It gives: the programme of meetings for the day, with the agenda items to be taken at each meeting; a forecast of the meetings for the following day; Conference announcements; and notice of social events taking place during the session.

DOCUMENTS

A list of the documents prepared for the session is given in document GC(XIV)/DOCS/94; additions to the list will be issued at intervals. The provisional agenda for the session is in document GC(XIV)/429 and the Conference's Rules of Procedure in the booklet GC(VII)/INF/60.

TIMES OF MEETINGS

The opening meeting of the session on Tuesday, 22 September, will be at 3.00 p.m. Afternoon meetings will normally be at that time, and morning meetings at 10.30 a.m.

MEETING ROOMS

Plenary meetings will be held in the Festsaal; committees will meet in that room, the Neuer Saal and the Ratssaal. The first two rooms are on the Mezzanine; the Ratssaal is on the first floor.

SEATING

In plenary meetings and in committees of all Members, the first seat facing the President or Chairman, and to his right, is accorded to the Member State which has provided the Chairman of the Board of Governors during the past year. Australia accordingly will occupy that place, followed by the Members in their English alphabetical order.

WORKING LANGUAGES AND INTERPRETATION

The working languages of the Conference are English, French, Russian and Spanish, and statements made in any one of these languages will be interpreted simultaneously into the others. The proceedings of plenary meetings will also be simultaneously interpreted into German, through the courtesy of the Austrian Government.

Portable radio receivers will be available with which participants can listen to the proceedings in the Festsaal and the Neuer Saal. It is particularly asked that these receivers be left behind after meetings, since they must be serviced before they can be used again.

It is requested that the Conference Officer be provided with the text of prepared speeches before they are delivered, so as to facilitate the work of the interpreters, the précis-writers and the public information service.

TAPE RECORDINGS

A participant wishing to listen to the tape recording of a meeting should request the Conference Officer to make the necessary arrangements.

'EAKERS' LIST

In order to facilitate the conduct of business a speakers' list^Q kept for all plenary meetings. Members of delegations intending to speak should, as long as possible in advance, inform Mr. P. Singh, the officer responsible for keeping the list, at his desk in the Zeremoniensaal (Mezzanine), ext. 358 — or, immediately before and during plenary meetings, at his desk in the Festsaal near the foot of the podium — of the agenda item to which they wish to speak.

RAFT RESOLUTIONS AND OTHER DOCUMENTS

Delegations wishing to submit draft resolutions or other documents to the Conference are requested to provide the Conference Secretary or the appropriate Committee Secretary with several copies of the text as early as possible.

OTING BY SHOW OF HANDS

To facilitate the counting of a vote by show of hands, delegates are asked to register their votes by raising the white name-plate^Q they will find on their desks.
