SCALE OF ASSESSMENT OF MEMBERS' CONTRIBUTIONS FOR 1983

Modifications

1. The modifications which the Board of Governors has made to the budget estimates for 1983 [1] necessitate some consequential modifications in the material on the scale of assessment of Members' contributions for 1983 which the Director General has submitted to the General Conference under cover of document GC(XXVI)/671. The Annex to the draft resolution in that document and the Appendix on the computation of individual base rates and the resulting scale of assessment are accordingly replaced by the attachments hereto.

MEMBERS' CONTRIBUTIONS TO THE AGENCY'S REGULAR BUDGET FOR 1983

The computation of individual base rates and the resulting scale
of assessment

1. The first step in computing the individual base rates and the resulting scale of assessment of Members' contributions to the Agency's Regular Budget for the year 1983 consists of dividing the total amount to be assessed into a "non-safeguards" component and a "safeguards" component [1]. The total assessment proposed is \$81 036 000 [2], of which the non-safeguards and safeguards components are \$51 703 000 and \$29 333 000 respectively. The latter component consists of the appropriation specifically proposed for safeguards (\$29 533 000) less income of \$200 000 which it is estimated will be received from non-member States during 1983.

2. The next step is to derive a base rate of assessment for each Member of the Agency [3] based upon the scale used by the United Nations to assess contributions from its Members to its budgets for the year 1980-1982 [4]. This is done in Table 1 below, the coefficient of 1.011096 used in column (4) being the same as that used in the preceding year. Accordingly, with no change in the membership of the Agency, the base rates of assessment for all 110 Member States are the same for 1983 as they were for 1982.

[a] See General Assembly Resolution 34/6.

[b] In certain cases the coefficient is not applied - see paragraph 3 below.

3. It will be seen from the end of the foregoing table that the United Nations percentage assessments for Members of the Agency that were also Members of the United Nations amount to 97.90 per cent, and that the United Nations rate of assessment for the other Members of the Agency amount to 1.28 per cent. To the figure of 99.18 per cent, obtained by combining these two percentages, a coefficient is applied to establish the base rates of assessment for all Member States of the Agency which will give a total of 100.00 per cent. In accordance with the principles established by the General Conference [5], however, the coefficient is not applied in the case of the Member bearing the United Nations highest assessment, nor of the 28 Members each bearing the United Nations lowest assessment. This coefficient is therefore calculated as follows:

	United Nations percentage assessments	Agency base rate of assessment
	-----	-----
Total	99.18	100.00
Less: For the Member bearing the highest assessment	25.00	25.00
For the 28 Members bearing the lowest assessment (28 x 0.01)	0.28	(25.28)
	-----	-----
Totals for calculation of the coefficient	73.90	74.72

$$\text{Coefficient } \frac{74.72}{73.90} = 1.011096$$

4. It is now necessary to determine the respective shares of the safeguards expenses to be borne by Members on the list drawn up by the Director General for the purpose of identifying the Members who receive partial relief in respect of their assessment for the safeguards component of the Regular Budget in accordance with the revised arrangements established by the Conference in 1980 [6].

[5] See Resolution GC(III)/RES/50, sub-paragraph (a) of the operative paragraph.

[6] The list is drawn up as prescribed in Resolution GC(XXIV)/RES/376, sub-paragraph 3(b).

The remaining \$29 225 001 (98.38408%) will need to be borne by 36 Members, the share of each Member being calculated as shown in Table 3 [8].

[a] The coefficient is obtained by dividing the percentage of the safeguards component remaining to be financed (98.38408%) by the total of the base rate of assessment of the 36 Members listed in the table above (89.36%).

6. The individual share of each Member in the safeguards component of the total assessment having thus been determined, the next step is to calculate each Member's share of the non-safeguards component. This is done by applying each Member's base rate of assessment to the non-safeguards component (\$51 703 000) [9]. The results are set forth in Table 4 below, which shows in column (6) the total assessment of each Member State. Column (7) shows the resulting scale of assessment for 1983, the percentage assessments being expressed to five places of decimals in order to reflect each Member's share of the Regular Budget to the required accuracy.
