On request, participants will also be given labels for their cars to permit the use of parking space in the Heldenplatz.

### **THE JOURNAL**

### **DOCUMENTS**

The provisional agenda for the session is given in document GC(XXVI)/662 and other documents issued for it are listed in document GC(XXVI)/DOCS/210 and subsequent documents bearing the same symbol. The Rules of Procedure of the General Conference are to be found in the booklet GC(XIX)/INF/152 and Mod.1.

Delegates wishing to submit draft resolutions or other documents to the Conference are requested to provide the Conference Secretary or the appropriate Committee Secretary with several copies of the text as early as possible.

## **TIMES OF MEETINGS**

The opening meeting of the session on Monday, 20 September, will be at 10 a.m. Unless otherwise decided by the Conference, morning meetings will begin at that time and afternoon meetings at 3 p.m. Delegates are kindly requested to be in their places by those times in order to allow meetings to start punctually.

## **MEETING ROOMS**

Plenary meetings will be held in the Festsaal; the Committee of the Whole will meet in the Neuer Saal and the General Committee in the Ratsaal. The first two rooms are on the mezzanine floor. The Information Desk will direct participants to the Ratsaal, which is on the fourth floor.

In the Festsaal and the Neuer Saal, portable radio receivers with which participants can listen to the proceedings will be available. It is particularly asked that these receivers be left behind in the meeting room since they must be serviced before they can be used again.

## **SEATING**

In plenary meetings and at meetings of the Committee of the Whole, the first seat facing the President or Chairman, and to his right, is

accorded to the Member State which has provided the Chairman of the Board of Governors during the past year. Japan will accordingly occupy that place, followed by other Member States in English alphabetical order.

## **SPEAKERS' LIST**

In order to facilitate the conduct of business a speakers' list is kept for all plenary meetings. Delegates intending to speak should, as long as possible in advance, inform Miss L. Huber, the official responsible for keeping the list, at her desk (Mezzanine, No.18, ext.358 or 359) – or, immediately before and during plenary meetings, at the desk in the Festsaal near the foot of the podium – of the agenda item to which they wish to speak.

## **WRITTEN TEXTS OF SPEECHES**

It will be much appreciated if a delegate proposing to speak from a written text will provide the Conference Officer with copies in advance. This will greatly facilitate the work of the interpreters, the precis-writers and the public information service.

## **VOLUNTARY CONTRIBUTIONS TO THE TECHNICAL ASSISTANCE AND CO-OPERATION FUND FOR 1983**

To enable up-to-date information to be provided to the General Conference regarding the voluntary contributions to the Technical Assistance and Co-operation Fund for 1983, the Contributions Officer, Mrs. H. Byler, will be available to receive pledges at her desk (Mezzanine, No.19, ext.240) or, immediately before and during plenary meetings, at a desk in the Festsaal near the foot of the podium.

## **WORKING LANGUAGES AND INTERPRETATION**

The working languages of the Conference are Arabic, English, French, Russian and Spanish, and statements made in any one of these languages will be interpreted simultaneously into the others. If a delegate wishes to make a speech in a language other than the working languages, he should, under Rule 87 of the Rules of Procedure, himself arrange for interpretation into one of the working languages and provide the Secretariat with a written text of his speech in advance in that working language.

## **RECORDING OF MEETING PROCEEDINGS**

A participant wishing to listen to the tape recording of a meeting should request the Conference Officer to make the necessary arrangements.

## **VOTING BY SHOW OF HANDS**

To facilitate the counting of a vote by show of hands, delegates are asked to register their votes by raising the country name-plate they will find on their desks.
