The Conference is meeting in the Congress Centre (Kongresszentrum) of the Neue Hofburg. Entry to the Congress Centre is from the Heldenplatz; the telephone number is 57 55 71.

The session will open at 10 a.m. on Monday, 23 September 1985.

Participants are advised that badges will be needed for entry into the building during the session.

The precise location of offices, meeting rooms and the Information Desk may be ascertained by reference to the floor plans at the end of the handbook.

INFORMATION DESK AND DELEGATES' AIDE

Mezzanine, No.2

An Information Desk (ext. 422) is at the top of the main staircase; in addition to giving information about the Conference and the meeting facilities, it takes messages for participants and, if necessary, arranges for them to be paged, handles cables and long-distance telephone calls, and provides a lost-and-found service.

**ACCREDITATION OF
DELEGATES AND PROTOCOL**

Zeremoniensaal,
Mezzanine, No.17

Credentials

Those delegates who have been unable to submit their credentials earlier are requested to deposit them directly with the Credentials Office, as soon as possible after their arrival in Vienna.

Each participant requires a badge with a photograph for entry into the building during the session. Badges will be issued at the Registration Desk to those participants who have not yet registered and who are not in possession of a VIC ground pass. For security reasons, participants are requested to wear their badges when entering and while they are inside the Conference building. On request, participants will also be given labels for their cars to permit the use of parking space in the Heldenplatz.

Delegations' list

It is particularly requested that the Chief of Protocol be notified, in writing, of any change required in the particulars provided at the time of registration of a delegation, so that the delegations' list may be kept up to date.

THE SESSION

THE JOURNAL

Issues of the Journal will appear early in the morning of each working day during the session and will contain the agenda items to be taken at that day's meetings, a forecast of the meetings for the following day and other notices and announcements of interest to delegations.

DOCUMENTS

The provisional agenda for the session is given in document GC(XXIX)/746 and Add.1, and other documents issued for it are listed in document GC(XXIX)/DOCS/247 and subsequent documents bearing the same symbol. The Rules of Procedure of the General Conference are to be found in the booklet GC(XIX)/INF/152 and Mod. 1 and 2.

Delegates wishing to submit draft resolutions or other documents to the Conference are requested to provide the Conference Secretary or the appropriate Committee Secretary with several copies of the text as early as possible.

TIMES OF MEETINGS

The opening meeting of the session on Monday, 23 September 1985, will be at 10 a.m. Unless otherwise decided by the Conference, morning meetings will begin at that time and afternoon meetings at 3 p.m. Delegates are kindly requested to be in their places by those times in order to allow meetings to start punctually.

MEETING ROOMS

Plenary meetings will be held in the Festsaal; the Committee of the Whole will meet in the Neuer Saal and the General Committee in the Ratsaal. The first two rooms are on the mezzanine floor. The Information Desk will direct participants to the Ratsaal, which is on the fourth floor.

In the Festsaal, the Neuer Saal and the Ratsaal, portable radio receivers with which participants can listen to the proceedings will be available. It is particularly asked that these receivers be left behind in the meeting room since they must be serviced before they can be used again.

SEATING

In plenary meetings and at meetings of the Committee of the Whole, the first seat facing the President or Chairman, and to his right, is accorded to the Member State which has provided the Chairman of the Board of Governors during the past year. Egypt will accordingly occupy that place, followed by other Member States in English alphabetical order.

SPEAKERS' LIST

In order to facilitate the conduct of business, a speakers' list is kept for the general debate and for other items in plenary meetings. As was indicated in the "Advance Information for Delegations" (GC(XXIX)/INF/225 issued on 25 June 1985), the list of speakers for the general debate was opened on 30 July 1985. Any delegates who have not yet inscribed their names on the list and desiring to speak in the general debate are requested to contact Ms. L. Huber, the official responsible for maintaining the speakers' list either at her desk (Mezzanine, No.18, ext.358 or 359), or, immediately before and during plenary meetings, at the desk in the Festsaal near the foot of the podium. In

accordance with common international practice, ministers participating in the general debate will be given priority.

Similarly, delegates desiring to speak on other items in the plenary should also inscribe their names at the speakers' list's desks.

TEXTS AND ORAL PRESENTATIONS OF GENERAL DEBATE STATEMENTS

As was indicated in the "Advance Information for Delegations", it would be greatly appreciated if, as in the past, the texts of statements to be delivered during the general debate were handed to the Conference Officer in advance and if - to enable the Conference to make the best possible use of the time available - delegates confined themselves in their oral presentations to the salient points of their statements, so that - if possible - oral presentations do not last longer than 15 minutes. The summary records of the general debate will be based on the full statements handed to the Conference Officer. Copies of the full texts (in the original language) will, if delegates so request, be made available to other delegates.

It is of considerable help if the texts of statements so provided to the Conference Officer are typed in double-space.

VOLUNTARY CONTRIBUTIONS TO THE TECHNICAL ASSISTANCE AND CO-OPERATION FUND FOR 1986

To enable up-to-date information to be provided to the General Conference regarding the voluntary contributions to the Technical Assistance and Co-operation Fund for 1986, the Contributions Officer, Ms. H. Byler, will be available to receive pledges at her desk (Mezzanine, No.19, ext.240) or, immediately before and during plenary meetings, at a desk in the Festsaal near the foot of the podium.

WORKING LANGUAGES AND INTERPRETATION

The working languages of the Conference are Arabic, Chinese, English, French, Russian and Spanish, and statements made in any one of these languages will be interpreted simultaneously into the others. If a delegate wishes to make a speech in a language other than the working languages, he should, under Rule 87 of the Rules of Procedure, himself arrange for interpretation into one of the working languages and provide the Secretariat with a written text of his speech in advance in that working language.

RECORDING OF MEETING PROCEEDINGS

A participant wishing to listen to the tape recording of a meeting should request the Conference Officer to make the necessary arrangements.

VOTING BY SHOW OF HANDS

To facilitate the counting of a vote by show of hands, delegates are asked to register their votes by raising the country name-plate they will find on their desks.

THE AGENCY

MEMBER STATES AND THE BOARD OF GOVERNORS

Comprehensive information on the membership of the Agency, the composition of the Board of Governors, resident representatives, etc. is published in English in a booklet entitled "Board of Governors and Permanent Missions of Member States". The latest issue is No.75 of September 1985, and copies may be obtained from the Documents Station.

CHAIRMAN OF THE BOARD OF GOVERNORS

The Chairman of the Board will have an office next to the Ratsaal (Fourth floor, No.6, ext.316).
