## CORRIGENDUM

After the third sentence in para. 35, ending "... whether that country were a nuclear power or not.", insert the following sentence: "It should provide an acceptable balance between the obligations and responsibilities of all nations and should promote global disarmament, particularly nuclear disarmament."

At the end of the second sentence in para. 59, "... in that context", insert the following: ", and it hoped that the Board would take an appropriate decision as soon as possible."
