

PARTICIPATION OF PALESTINE IN THE
ACTIVITIES OF THE IAEA

The General Conference, taking account of United Nations General Assembly resolution 43/177 of 20 December 1988, decided that, as of 29 September 1989, the designation "Palestine" should be used instead of "Palestine Liberation Organization", without prejudice to the observer status of the Palestine Liberation Organization in accordance with General Conference resolution GC(XX)/RES/334 of 23 September 1976 and to the continuance of its existing eligibility pursuant to Agency rules and practices to participate in open-ended and relevant meetings convened under the auspices of the Agency.
