Thirty-seventh regular session
Item 13 of the provisional agenda
[GC(XXXVII)/1052]

SCALE OF ASSESSMENT OF MEMBERS' CONTRIBUTIONS FOR 1994

1. The Board of Governors at its September session decided to recommend to the General Conference that it approve for membership of the Agency the State which is provisionally to be referred to for all purposes within the Agency as "The former Yugoslav Republic of Macedonia" pending settlement of the difference that has arisen over the name of the State [GC(XXXVII)/1083]. Should its membership be approved, it is proposed that its assessment for the year in which it becomes a Member of the Agency be derived from the rates determined by the United Nations later this year and all contributions received from it be deducted from the contributions payable by Yugoslavia.

2. It is therefore suggested to add paragraph 4 to the draft resolution contained in document GC(XXXVII)/1070 as shown overleaf.
