Forty-third regular session

COMMUNICATION OF 28 SEPTEMBER 1999 RECEIVED FROM THE PERMANENT MISSION OF SENEGAL TO THE INTERNATIONAL ATOMIC ENERGY AGENCY

The text of a letter dated 28 September 1999 which the Director General has received from the Permanent Mission of Senegal is reproduced for the attention of the General Conference.

“As you know, since it joined the IAEA, seven months after its independence, Senegal has always supported your prestigious institution, with which it has enjoyed excellent co-operation.

“Senegal has always paid its contributions. However, the last payment - of US \$7 301 - has been delayed solely owing to an administrative procedure. It goes without saying that the delegation to the forty-third regular session of the Agency’s General Conference will, upon its return, take steps vis-à-vis the central administration to speed up this procedure.

“I should be grateful if you could transmit to the General Committee our request that Senegal’s voting rights not be suspended at the current session pursuant to Article XIX.A of the Agency’s Statute.”
