

**GC(47)/DEC/13**

**Israeli nuclear capabilities and threat**

On 19 September 2003 during the 10<sup>th</sup> plenary meeting the General Conference endorsed the following statement made by the President:

“The General Conference recalls the statement by the President of the 36<sup>th</sup> session in 1992 concerning the agenda item “Israeli Nuclear Capabilities and Threat”. That statement considered it desirable not to consider that agenda item at the 37<sup>th</sup> session.

The General Conference also recalls the statement by the President of the 43rd session in 1999 concerning the same agenda item. At the 44<sup>th</sup>, 45<sup>th</sup>, 46<sup>th</sup> and 47<sup>th</sup> sessions, this item was, at the request of certain Member States, re-inscribed on the agenda. The item was discussed.

Several Member States requested that this item be included in the provisional agenda of the 48<sup>th</sup> regular session of the General Conference.”
