

General Conference

GC(48)/INF/2/Corr.1

Date: 27 August 2004

General Distribution

Original: English

Forty-eighth regular session

Advance Information for Delegations

Corrigenda

1. Paragraph 4, on page 2, should be replaced by the following:

“4. Governments are requested to communicate to the Secretariat the composition of their delegations well in advance and latest by 3 September 2004. This should be done online through the IAEA General Conference Registration Internet form, which can be accessed through the Agency’s Internet web site (<http://gc-registration.iaea.org>). The specific usernames and passwords have been transmitted to the Ministries of Foreign Affairs with copies to the Permanent Missions. If it is not possible to register online due to lack of access to the Internet, a communication to that effect should be sent to the IAEA Protocol office with a request for printed forms. Rule 23 of the Conference’s Rules of Procedure² provides for each Member State of the Agency to be represented by one Delegate, who may be accompanied by as many assistants (alternates, advisers, etc.) as may be needed. A preliminary list of members of delegations will be issued on Wednesday, 15 September 2004; only those names which are received by the Secretariat before Friday, 10 September, can be included in it. An updated list of members of delegations will be issued on Sunday, 19 September; it will contain information which has been communicated to the Secretariat by 4:00 p.m. on Friday, 17 September.”

2. On page 6, paragraph 26, the Senior Regulators’ Meeting taking place on 21 September will begin at 9.00 a.m., as also indicated in Annex 2.
3. Annex 1 of the document should be replaced with the attached Annex.

International Atomic Energy Agency

***Nuclear Fuel Cycle Issues
and Challenges***

Scientific Forum

during the 48th Regular Session of the IAEA General Conference
Conference Room C, Austria Center, Vienna
21-22 September 2004

Tentative Programme

Format

Each of the three sessions of the Scientific Forum will be introduced by a moderator knowledgeable in the specific field and followed by presentations by leading experts. Each session will conclude with a panel discussion. In all sessions, Scientific Forum participants will be encouraged to engage in discussions with the speakers and panelists.

Tuesday, 21 September 2004, 10:00 a.m.

Opening

- **Statement** by Mr. Mohamed ElBaradei, Director General of the IAEA

Session 1: Advanced Fuel Cycles and Reactor Concepts

- **Key Issues in Fuel Cycle Options**
- **Achievements and Prospects for Advanced Reactor Design and Fuel Cycle**
- **Holistic Consideration of Fuel Cycle Systems for Sustainable Development**
- **Key Issues Requiring Research and Development Programmes**

Tuesday, 21 September 2004, 3:00 p.m.

Session 2: Waste and Spent Fuel Management Issues

- **Advances in Treatment of Waste from Reprocessing of Spent Fuel**
- **Advances in Reprocessing of Spent Fuel**
- **NPP Spent Fuel Management**

Wednesday, 22 September 2004, 10:00 a.m.

Session 3: Research Reactor Fuel Cycle and Related Issues

- **Fuel Issues: Replacement of HEU**
- **Research Reactor Utilization**
- **Research Reactor Spent Fuel Management**
- **Decommissioning**
