Item 15 of the agenda
(GC(50)/21)

Nuclear Security - Measures to Protect Against Nuclear Terrorism

Report by the Director General

Addendum

1. At the end of Sub-section “I.2. International conferences”, add the following paragraph:

“91. In June 2006, the **International Symposium on the Minimisation of Highly Enriched Uranium (HEU) in the Civilian Sector**, organised by the Government of Norway in cooperation with the Agency, was held in Oslo. The Symposium, which was preceded by a “Technical Workshop on HEU Minimisation”, considered the role of HEU minimisation in the larger proliferation and disarmament context, existing bilateral and international cooperative programmes and projects, and the contribution of the IAEA in this respect. The Chair’s Summary of the discussion held during the Symposium as well as the summary from the associated technical workshop have been distributed as INFCIRC/667.”
2. Subsequent paragraphs should be renumbered accordingly.
