## **Fiftieth regular session**

Item 13 of the provisional agenda  
(GC(50)/1)

# Scale of Assessment of Members' Contributions for 2007

1. The Director General submits herewith to the General Conference a draft resolution whereby the Conference may set, in accordance with Article XIV.D of the Statute, the scale of assessment of Members' contributions to the Agency's Regular Budget for 2007. The scale in Annex 1 of the attached draft resolution has been prepared in accordance with the principles and arrangements established by the General Conference<sup>1</sup>. The scale, which is based on the Agency's membership as of 31 July 2006, includes two new Member States, Chad and Belize, which became Members on 2 November 2005 and 31 March 2006 respectively.
2. It will be noted that the following draft resolution also provides for approval by the General Conference of the base rate of assessment of each Member. This has been derived from the scale used by the United Nations to assess contributions from its Members to its Regular Budget for 2006 and adopted by the General Assembly in resolution A/RES/58/1 B on 23 December 2003. The 2006 scale of the United Nations is adjusted by applying a mathematical coefficient to compensate for differences in membership between the Agency and the United Nations.
3. The scale of assessment in Annex 1 of the attached draft resolution is based on the base rate, but takes into account that 105 Members (hereinafter referred to as "shielded" Members) will receive partial relief in respect of their assessments for the safeguards component of the Regular Budget (see Table 3 in the Appendix) and that 3 Members (hereinafter referred to as "de-shielded" Members) began to be phased-out in 2006 of the partial relief of their safeguards assessments in accordance with GC(47)/RES/5 (see Table 4 in the Appendix). The scale also takes into account that the remaining 32 Members (hereinafter referred to as "unshielded" Members) will contribute on a proportionally increased basis in order to make up the balance of the safeguards expenses (see Table 5 in the Appendix).

---

<sup>1</sup> See resolution GC(III)/RES/50 as amended by resolution GC(XXI)/RES/351, resolution GC(39)/RES/11 as amended by resolution GC(44)/RES/9 and resolution GC(47)/RES/5.

4. The calculations that were made in order to establish both the individual base rates and the resulting scale of assessment are reproduced for the information of the Conference in the Appendix.
5. Member States are urged to inform the Director General by 1 January 2007 as to when their Regular Budget contributions will be paid to the Agency. This information is required in order to enable the Secretariat to prepare cash forecasts on the basis of which the Agency's programme will be implemented.

Draft resolution

**SCALE OF ASSESSMENT OF MEMBERS' CONTRIBUTIONS FOR 2007**

The General Conference,

Applying the principles it has established for the assessment of Members' contributions towards the Agency's Regular Budget<sup>[\*]</sup>,

1. Decides that the individual base rates and the resulting scale of assessment of Members' contributions to the Agency's Regular Budget for 2007 shall be as set forth in Annex 1 hereto; and
2. Determines, pursuant to Financial Regulation 5.09<sup>[\*\*]</sup>, that in the event of a State becoming a Member of the Agency during the remainder of 2006 or in 2007 it shall be assessed as appropriate:
  - (a) for an advance or advances to the Working Capital Fund, in accordance with Financial Regulation 7.04<sup>[\*\*]</sup>; and
  - (b) for a contribution or contributions towards the Agency's Regular Budget, in accordance with the principles and arrangements the Conference has established for the assessment of Members for such contributions.

---

[\*] By resolution GC(III)/RES/50 as amended by resolution GC(XXI)/RES/351, resolution GC(39)RES/11 as amended by resolution GC(44)/RES/9 and resolution GC(47)/RES/5.

[\*\*] INFCIRC/8/Rev.2.

## A P P E N D I X

### MEMBERS' CONTRIBUTIONS TO THE AGENCY'S REGULAR BUDGET FOR 2007

#### The computation of the individual Regular Budget assessments

1. As a first step in computing the individual Regular Budget assessments, the Agency's Regular Budget for 2007 is divided into a **safeguards component** and a **non-safeguards component**<sup>2</sup> as described below:

- (a) The safeguards component amounts to €85 161 200 plus \$26 575 400 (€111 736 600 at an exchange rate of \$1.00 to €1.00). The basis for the calculation of the safeguards component is shown in **Table 1**. As can be seen from the table, this component comprises all of Programme N (Safeguards), including the costs of Overall Management, Coordination and Common Activities, and a part of Programme M (Nuclear Security). An amount of €270 000 has been estimated as recoverable income under safeguards agreements with non-member States during 2007<sup>3</sup> and was subtracted from the total. Also, Table 1 shows the distribution of the safeguards assessment between "shielded", "de-shielded" and "unshielded" Members.
- (b) The non-safeguards component refers to all other programmes and amounts to €136 542 800 plus \$29 775 600 (€166 318 400 at an exchange rate of \$1.00 to €1.00).

Adding these two components, the total assessment proposed amounts to €221 704 000 plus \$56 351 000, which, at an exchange rate of \$1.00 to €1.00, amounts to €278 055 000<sup>4</sup>.

2. The next step is to derive a base rate of assessment for each Member of the Agency on the basis of the scale used by the United Nations to assess contributions from its Members to its budget for the year 2006<sup>5</sup>.

3. As will be seen from **Table 2**, the United Nations percentage assessments for Members of the Agency that were also Members of the United Nations amount to 99.740 per cent and the United Nations rate of assessment for the other Member of the Agency not a Member of the United Nations amounts to 0.001 per cent. The total figure of 99.741 per cent obtained by adding these two percentages is multiplied by a coefficient to establish the base rates of assessment for all Member States of the Agency, which will give a total of exactly 100 per cent. In accordance with the principles established by the General Conference<sup>6</sup>, however, the coefficient is not applied in the case of the Member bearing the highest United Nations assessment or of the 16 Members bearing the lowest United Nations assessment. The coefficient is therefore calculated as follows:

---

<sup>2</sup> See GC(39)/RES/11, as amended by GC(44)/RES/9 and GC(47)/RES/5.

<sup>3</sup> See document GC(50)/6, "The Agency's Budget Update for 2007", Table 2.

<sup>4</sup> See document GC(50)/6, "The Agency's Budget Update 2007", Annex, draft resolution A.

<sup>5</sup> See General Assembly resolution A/RES/58/1 B (December 2003).

<sup>6</sup> See resolution GC(III)/RES/50, sub-paragraph (a) of the operative paragraph.

	<u>United Nations</u> <u>percentage assessments</u>	<u>Agency</u> <u>base rate of assessment</u>
Total	99.741	100.000
Less: For the Member bearing the highest assessment	22.000	25.000
For the 16 Members bearing the lowest assessment (16 x 0.001)	<u>0.016</u>	<u>(25.016)</u>
Totals for calculation of the coefficient	77.725	74.984

$$\text{Coefficient} \quad \frac{74.984}{77.725} = 0.9647346$$

4. It is now necessary to determine the respective shares of the **safeguards component** to be borne by the “**shielded**” Members. In accordance with the Revised Arrangements for the Assessment of Members’ Contributions towards the Agency’s Regular Budget set forth in sub-paragraph 1(c)(i) of GC(39)/RES/11 as amended by resolution GC(44)/RES/9 and GC(47)/RES/5, “shielded” Members are not obliged to contribute to any increase in the safeguards budget beyond zero real growth. Accordingly, the amount of €25 735 400 which reflects a programme increase in the safeguards budget beyond zero real growth was deducted from the safeguards component for the purpose of calculating the shares of the “shielded” Members (see Table 1).

5. **Table 3** lists the 105 “**shielded**” Member States and the contributions to the safeguards component to be borne by each of them. In accordance with sub-paragraph 1(d)(i) of General Conference resolution GC(39)/RES/11, as amended by resolution GC(44)/RES/9 and GC(47)/RES/5, each “shielded” Member’s safeguards assessment was calculated on the basis of half of its base rate.

6. Moreover, in accordance with resolution GC(47)/RES/5, de-shielding began in 2006 for Member States that are in Category 1, excluding those that are members of the Group of 77. The respective shares of these Members are determined by applying 64.286% of their base rate to the remaining amounts payable to the safeguards component after deduction of the “shielded” Members’ shares. This information is provided in **Table 4**.

7. The remaining safeguards expenses are borne by 32 “**unshielded**” Members, as shown in **Table 5**. Columns (3) and (4) show the amounts that have to be paid by each “unshielded” Member as a result of proportionally increasing the base rate of assessment in such a way that the total contributions make up the balance of the safeguards assessment.

8. Each Member’s share in the **non-safeguards component** is calculated by applying its base rate of assessment to the total non-safeguards component.

9. For the convenience of Member States, **Table 6** shows each Member’s share in the non-safeguards and the safeguards components, as well as the resulting **total assessment and percentage assessment**.

TABLE 1

**BASIS FOR THE CALCULATION OF THE SAFEGUARDS ASSESSMENT**

<b>I. <u>Safeguards expenditures/assessment basis</u></b>					
M	Nuclear Security (part)	€	853 200	+	\$ 274 400 = € 1 127 600
