Item 2 of the provisional agenda
(GC(63)/1, Add.3 and Add.4)

Tribute to the late Director General Yukiya Amano

On 9 September 2019, the Board of Governors recommended the draft resolution set out below to the General Conference for approval.

Draft resolution

The General Conference.

- (a) Mourning the passing of Mr. Yukiya Amano, Director General of the International Atomic Energy Agency,
 - (b) Recognizing the significant contribution he made to enhancing the Agency's efforts toward international peace and security and in support of the peaceful use of nuclear technologies, particularly through the motto "Atoms for Peace and Development",
 - (c) Acknowledging his role in the Agency's work in fostering international cooperation through the ReNuAL and ReNuAL + projects, and
 - (d) Desiring to commemorate his distinguished service to the International Atomic Energy Agency,
1. Expresses its sincere gratitude and appreciation to Mr. Amano for his devotion to the objectives and functions of the Agency during his distinguished and successful tenure as Director General; and
 2. Decides to designate the Flexible Modular Laboratory at the Seibersdorf laboratories, constructed under the ReNuAL project, as "The Yukiya Amano Laboratories".
